**STIPULATION TO  
VACATE CASE  
MANAGEMENT CONFERENCE**

1. A Case Management Conference is currently set for April 24, 2009 in this matter. The parties previously filed several stipulations to continue the Case Management Conference in an attempt to settle this matter.

2. As of the previous stipulation, the parties were waiting for final approval from those individuals with full settlement authority and approval of the settlement by the Superior Court of California. As of this date, the Superior Court has approved the parties' final settlement. For that reason, the further Case Management Conference will not be necessary.

3. The parties request that the hearing be vacated at this time. The parties will promptly file a stipulation to dismiss this case after the terms of the settlement have been effectuated.
